

Sponsorship And Exhibition Details

The conference will be held at Scandic Copenhagen and the venue offers excellent opportunities for exhibition from the 9th to 12th of September. The exhibition area is situated right next to the registration area. Delegates need to pass through the exhibition area to get to the plenary hall and sessions. This allows for plenty of interaction with delegates.

A number of sponsor opportunities are available for companies looking to meet new customers and reinforce existing relationships. An exhibition stand provides your company with real presence at the conference and greatly facilitates networking.

Leading complement scientists and doctors will be present at this multidisciplinary meeting that serve as a platform to discuss and promote collaborative networks.

We have several great opportunities for you to support this meeting and display your professional services or innovative materials and equipment through sponsoring and exhibiting. Below are options designed to assist you in finding the right level for your budget and time. Please review and let us know if you have any questions.

If you are interested in being a partner with us at this event, please fill in the form at the end of this document and return to conference secretary Berrit Hedegaard by e-mail: br@meetingplanners.dk (telephone +45 5060 7420).
